

Voyager Announces Extension of Early Tender Date and Extension of its Previously Announced Exchange Offer and Consent Solicitation

April 27, 2021

Stamford, CONN – Voyager Aviation Holdings, LLC (“*Voyager*” or the “*Company*”), a leading global aviation investment firm and commercial aircraft leasing company, announced today that it has elected to extend each of the (i) early tender date for the Exchange Offer and In-Court Restructuring Vote Solicitations (as defined below) (as so extended, the “*Early Tender Date*”) and (ii) expiration time for the Exchange Offer and In-Court Restructuring Vote Solicitations (as so extended, the “*Expiration Time*”), from 11:59 p.m., New York City time, on April 26, 2021, to 11:59 p.m., New York City time, on May 3, 2021, each as further described below. As of 11:59 p.m., New York City time on April 26, 2021, holders of 98.49% of the outstanding principal amount of the Company’s existing unsecured 8.500% Senior Notes due 2021 (the “*Existing Unsecured Notes*”) have participated in the Company’s previously announced Exchange Offer (as defined below).

As previously announced, the Company has received sufficient tenders to meet the minimum tender condition requiring holders of at least 95% in outstanding aggregate principal amount of the Existing Unsecured Notes to have been validly tendered and not validly withdrawn prior to the Expiration Time, and has received the requisite level of majority consents required to effectuate the Proposed Amendments (as defined below).

Exchange Offer Summary

As previously announced, on March 30, 2021, the Company commenced an offer to exchange (the “*Exchange Offer*”) any and all of the outstanding \$415,337,000 of Existing Unsecured Notes, including any accrued and unpaid interest on the Existing Unsecured Notes from the most recent date on which interest was paid until the date on which the Exchange Offer is completed, for (i) 100% of the pro forma common equity of the Company (the “*New Equity*”), which will be subject to dilution by a post-restructuring management incentive plan, (ii) up to \$150.0 million principal amount of new 8.500% Senior Secured Notes due 2026 to be co-issued by the Issuers (the “*New Notes*”) and (iii) up to \$200.0 million liquidation preference of preferred equity (the “*Preferred Units*”) and, collectively with the New Equity and the New Notes, the “*New Securities*”) of an intermediate wholly owned holding company subsidiary of the Company (the “*Preferred Units Issuer*”). In addition, in connection with the Exchange Offer, the current holders of the existing equity interests of the Company will receive their pro rata share of an additional \$15.0 million principal amount of New Notes in exchange for all of their existing equity interests. Eligible holders of Existing Unsecured Notes that tender Existing Unsecured Notes in the Exchange Offer will not receive accrued and unpaid interest on any Existing Unsecured Notes accepted for exchange under the Exchange Offer.

Concurrently with the Exchange Offer and Consent Solicitation (as defined below), on March 30, 2021 the Company also commenced the process of (i) collecting instructions to vote to accept a Scheme of Arrangement (the “*Scheme*”) in Ireland pursuant to Part 9 of the Companies Act 2014 of the Republic of Ireland (as amended), in the event the Exchange Offer is not successful and (ii) soliciting votes on an in-court prepackaged chapter 11 plan of reorganization (the “*Plan*”), to be able to implement a chapter 11 plan of reorganization in the event the Exchange Offer is not successful (collectively, the “*In-Court Restructuring Vote Solicitations*”). In addition, concurrently with the Exchange Offer and the In-Court Restructuring Vote Solicitations, the Company commenced a consent solicitation (the “*Consent Solicitation*”) whereby the Company is soliciting consents from eligible holders to certain proposed amendments to the indenture governing the Existing Unsecured Notes (the “*Existing Unsecured Notes Indenture*”) to, among other things, eliminate substantially all of the restrictive covenants and certain events of default and related provisions contained in the Existing Unsecured Notes Indenture (collectively, the “*Proposed Amendments*”). As previously announced, pursuant to an amended and restated Restructuring Support Agreement entered into on March 30, 2021 (the “*Restructuring Support Agreement*”), holders of approximately 84.85% of the principal amount of the outstanding Existing Unsecured Notes had agreed to tender their Existing Unsecured Notes in the Exchange Offer, consent to the Proposed Amendments and vote to accept the Scheme and the Plan.

Extension of Early Tender Date and Expiration Time

The Company has extended each of the previously announced (i) Early Tender Date and (ii) Expiration Time from 11:59 p.m., New York City time, on April 26, 2021, to 11:59 p.m., New York City time, on May 3, 2021. The deadline to validly withdraw tenders of Existing Unsecured Notes, and to revoke the related consents in the Consent Solicitation, was not previously extended by the Company and expired at 5:00 p.m., New York City time, on April 12, 2021 (the “*Withdrawal Deadline*”). Accordingly, given that the Withdrawal Deadline has previously passed, any tenders of Existing Unsecured Notes and consents provided in the Consent Solicitation may no longer be withdrawn or revoked, as applicable, unless the Exchange Offer is terminated without any Existing Unsecured Notes being accepted, or as required by applicable law.

As previously announced, the settlement date for the Exchange Offer is expected to occur on or prior to the fifth business day following the Expiration Time. The Company may elect to execute the indenture governing the New Notes and issue the New Notes on the fourth business day following the Expiration Time, with interest on the New Notes accruing from such date.

The consummation of the Exchange Offer and the Consent Solicitation remains conditioned upon the satisfaction or waiver of the conditions set forth in the Confidential Out-of-Court Exchange Offering Memorandum and Solicitation of Consents and Disclosure Statement and Solicitation of Votes Related to an In-Court Irish Scheme of Arrangement or Votes Related to an In-Court Prepackaged Chapter 11 Plan of Reorganization dated as of March 30, 2021 (as amended and supplemented by Supplement No. 1, dated April 8, 2021, the Company’s press released dated April 13, 2021, and this press release, and as may be further amended, supplemented, modified or updated from time to time, the “*Offering Memorandum and Disclosure Statement*”).

Except as described in this press release, all other terms of the Exchange Offer, the In-Court Restructuring Vote Solicitations and the Consent Solicitations remain unchanged from the terms described in the Offering Memorandum and Disclosure Statement.

Accordingly, as previously announced, the Company has received sufficient tenders to meet the minimum tender condition requiring at least 95% in aggregate principal amount of the Existing Unsecured Notes to have been validly tendered and not validly withdrawn prior to the Expiration Time, and has received the requisite level of majority consents required to effectuate the Proposed Amendments.
